

VIVID BLUEPRINT

The Basics

- Each rug is handmade and are made to order.
- Rugs are customizable by size, color, technique, fiber, and knots (so there are plenty of options!)

Wide selection of colors from the Pantone & ARS pom systems.

-Customized samples can be made before full production which takes aprox 4/5 weeks.

- Since our rugs are are hand woven (in Nepal and India) lead time for a full production rug varies by design and technique so the process can take anywhere from 12-18 weeks.

-Pricing is based on square footage and fibers.
